4. Meanwhile, work continues on the final study. Plans now call for the working group to begin reviewing a first draft in mid-September and to visit selected commands with a coordinated draft some time shortly thereafter. The CIPC expects to have a final draft for review before the end of September. As indicated in the interim report, the working group believes the support provided by the Community has been generally good in recent years, but in need of improvement. The final study will include a number of specific recommendations to enhance the efficiency of the process.
